#### 2. Cell Tower \$ [Tom]

- Mr. Sherwood handed out last years cell tower account activity and explained how he has been using it in the building.
- A motion was made and passed to approve the spending of the cell tower money to continue as is. If an emergency expense arises an email vote may be necessary.

#### 3. Counseling Department [Pepper]

##### A. Registration

- Students will be doing course selections during the first week of November. This is being done early because of the transitions of 9<sup>th</sup> graders coming to the high school. In April, students will go back on line and schedule their classes. Seniors will be registering first, juniors second, then sophomores, and finally freshman. Students will only be able to schedule the classes in April that they select in November.

##### B. SEOP Conferences

- Pepper handed out a senior green sheet and explained how the counselors use them with the senior English classes.
- Pepper talked about the PSAT and PLAN tests. They are scheduled for 10/17.
- Pepper mentioned that we are a Utah Scholar School. She talked about the programs available. The students can sign up at [utahscholars.org](http://utahscholars.org)

### C. Senior Graduation Contract

- Pepper handed out a draft of the senior graduation contract. The council looked it over and agreed that it should be implemented this year.
- Students are expected to have all of their credits turned into the registrar by June 4, 2012 @ 3:00pm which is the day before graduation practice.
- It was brought up that we should put the contract on-line. We will follow up with this request once the final draft has been presented to the senior class.
