1. ACT [Tom]

- No statistical difference when scores were compared to last years scores.
- More students participated this year compared to last year.
- Three sections of AVID will be taught next year.
- There was talk about looking into sharing a counselor with another high school and use them strictly as a college counselor.
- SCC voted to approve the new cell phone tower policy.
- * Mr. Sherwood will email the ACT data to members of the SCC.

2. CRT's [Braden]

- CRT's are all being completed on-line and things seem to be running smooth at the current time.
- AP testing is taking place 5/7 - 5/18.
- Mr. Sherwood gave a special thanks to the technology department for helping execute the CRT's.
- Phil Broadhead was named the Jordan High Teacher of the year.
- Dave Morrill won the Huntsman Award.

3. School attendance policy specifically tardies [Tom]

- Mr Sherwood discussed the idea of the attendance policy being tied to a citizenship grade.
- The attendance policy was discussed with an emphasis on what to do about tardies.
- The SCC feels that the attendance policy is doing what it is designed to do. So instead of changing the policy, ideas of a reward program are to be discussed and presented at a future meeting.

Discussion Items

- Mr. Sherwood shared information on the new scoreboards(baseball, softball, soccer, and basketball) and how they were paid for.
- * Mr. Sherwood will send a picture of the new football scoreboard to members of the SCC. It will be installed this summer.
