Agenda

1. Land Trust modifications
 - a. Tom—we will not use all our land trust money
 - b. In order to change we have to agree how to use land trust monies
 - c. Would like to use it to pay for tutoring after school 3 days a week
 - d. We would like to open another math 2 lab to help struggling students
 - e. Total cost for both programs about 14,000.00
 - i. Motion—Move—Kristine Peters, Randy second
 - ii. Discussion—how long will this keep these programs in place?
 1. The remainder of this year.
 - iii. Motion carried unanimously
 - iv. Next meeting we will need to discuss next year’s Land Trust money
 - f. If we have more monies left over the school would like to replace technology that we have already purchased.
 - i. If we repurpose 20,000 dollars we would replace the school marque which is in need of replacement.
 - g. Kelly—what do we use our cell tower money for?
 - h. Kelly—looking for an amendment to the current land trust to reallocate funds to purchase technology in line with the schools CSIP?
 - i. Motion—40,000 to technology purchases conditioned if the funding is there—Randy, second Traci.
 - ii. Motion carried unanimously.
2. Community Engagement
 - a. Free and reduced lunch has doubled, minority students have doubled.
 - b. How do we get these students and parents of disadvantaged, engaged?
 - i. Offer evening classes for free.
 - ii. Have someone go to elementary school carnival with a booth of Jordan gear, taking other information.
 - iii. March 20th, planning on a community outreach program
3. Report back on senior English and Advanced and Honors diplomas
 - a. What classes can count for senior English and still get an advanced or honors diploma
 - b. 2.0 for advanced, 3.0 for honors GPA requirement.
4. Kelly—we are done

Next meeting February 10th,
