

11th Grade Course Request Assignment

First and Last Name: _____

Your assignment is to make a list of classes you want to take next year.

Think about classes that are required for graduation. Think about future career ideas -- what can you try during high school?

Use the links below the form to find out more about courses available for 11th grade students.

Next week you will use the list below to put your classes in Skyward. When you open Skyward all students will have their core classes assigned.

Class Chart Instructions:

Fill in grey areas below

1. Choose from the drop down to select Core Classes

2. Type in elective choices in the 7 Blank Boxes (*hover over the box for class suggestions*)

11th Grade

Lang Arts 11

Math 3

Physics

US History

Financial Literacy

[7]

CTEC Programs

Are you planning to take a CTEC class next year?

Which program did you apply for? Use the drop down menu to indicate below --

Did you apply on the CTEC website? You must apply for these programs.

[Need to apply? Click here](#)

Please put CTEC in the boxes above for each period of your CTEC program.

1. **Language Arts class** - if you want to take an ONLINE class or an HONORS class

please use the arrow to change the class. If "regular" Language Arts 11 is fine, you are good to go!

2. **Math class** - All 11th grade students will be placed in Math 3 or Math 3 Honors.

An applied math class may be available with a teacher recommendation.

3. **Science class** - If you would like to take a different science option, please use the arrow to change your selection.

4. **History class** - If you are interested in AP or ONLINE, please use the arrow to change your selection.

5. **Financial Literacy** - If you are planning to take this course senior year,

please make a note in the comment box and include the class you would like to take instead.

6. **Fill the remaining spaces in your schedule** ---please write in courses you want to request.

Use the links below to see what is offered for 10th grade students in the areas of Art, CTE, Electives

7. **Students taking a CTEC program should fill in spaces for their CTEC course,**

Select the CTEC program you applied for in the box below.

Year-long classes -- These classes are 2 semesters -- write the course name in 2 spaces

Semester classes - Write the course name in 1 space

For the 2021-2022 School Year I want my classes to be: (check one box)

In-Person -- All classes held at Jordan High School

Online -- Students will login at assigned meeting times to meet with a Jordan High Teacher

Hybrid -- Some in-person and some online (all online will be assigned a class meeting time)

Comments (Please mention if you have special circumstances we need to consider):

Week 2 (do not complete the next step until next week)

8. Finalize this list of classes. Follow the directions to input these classes into Skyward.

9. Final Step: Please complete this assignment by clicking the blue Submit button and uploading it to Canvas.
