7. Digital Citizenship - Michelle Hakkarinen

- State has asked that each district, at least once, our classrooms cover Digital Citizenship
- District has decided to designate the week before Fall Break (3 Days)
 - This is not great because APP will be important for students to finalize their Q1 grades - Quarter ends on Oct 19
- Instead, Dr. Eschler has approved that we do one lesson a month throughout the school year for each of the 8 lessons - once per month.
- MH described the plan:
 - Filtering - State and the district
 - Student Education
 - Starting later in October - JHS will roll out 1 lesson per month
 - Will also be sent out through Parent Square
 - 15 minute monthly lessons
 - MH asked SCC to consider the order of lessons
 - We had a discussion about the Content Keeper process
 - KM: Should we move "Hoaxes & Fakes" to later in the year and switch with "When is your Brain Ready for Social Media"
 - MH agrees that Dec. & Jan. should be flipped.
 - DH asked, "What if a student is absent?"
 - Links will be sent out and students are held accountable with the APP grades and the points.
 - AB: "Who's Looking at Your Digital Footprint?" is important in regards to college applications and job applications. Should we align with UCAW?
 - No change, but seniors should be reminded about this, however.
 - JC: The handout is very "cute".
