Course Request Form Directions

On your Course Request form (reverse of this page), you will **WRITE IN** the classes you would like to request for the 2025-2026 school year. Please be sure to **write neatly**, as the persons reading your requests were all born in the 1900s.
Remember, these are *requests*!

Please make sure you do the following:

- Under Required Classes, please **WRITE IN** the core subject classes you would like to take in each area. Consider Honors and AP options!
- In the Other Required Classes box, please **CIRCLE** (and/or **WRITE IN** for the Digital Studies credit) any of these required classes if you have not yet taken and passed them. These classes will be added automatically, but can be dropped in August if you take them online or over the summer.
- Under Elective Class Requests, please **RANK the top 10** elective options you would like (where 1 is your TOP choice, 2 is your second choice, etc.). Consider which electives match your interest areas or college/career goals.
- The attached list of class options is for your reference, but you will ONLY TURN IN the one-page Course Request form (back of this page).
- **Return your Course Request form to your JHS Math teacher by February 5/6, 2025.**
- If you do not return a Course Request form, your JHS counselor will choose classes for you. *Schedule changes will not be permitted for these.*
